PROJECT LOCATION
Scripps Institution of Oceanography South Scripps Neighborhood

PROJECT DESCRIPTION
This project comprises approximately 16,500 gross square feet and includes a 300-seat auditorium and meeting facilities, food service and catering facilities and a graduate student lounge.

PROJECT PURPOSE
The primary purpose of the Forum is to accommodate scientific meetings and special events hosted by the Scripps Institution of Oceanography. This facility is used for international research symposia, academic classes, public lectures, and other educational gatherings. Scripps and UC San Diego students benefit from interacting with the global scientific community, policy makers, and corporate leaders.

PROJECT COST
$15.7 million

FUND SOURCE
Gift and campus funds

CURRENT PHASE
Completed March 2009

ARCHITECT
Safdie Rabines Architects
